

Game of The Day Explanations

Waltz Time:

This is a team game. On the first hole use one net score, second hole use two net scores, third hole use three net scores. Continue through the 18 holes. Scoring on the card should only have the gross scores, the league will score this game.

Red Square & One Low Net

This is a team game. Gross score for the red square plus one additional low net. The combined 2 scores will be your team score for each hole. Scoring on the card should only have the gross scores, the league will score this game.

AC/BD:

This is a team game. Person A & C (First & Third on Card) make one pair and person B & D make the other pair. Best net score for each pair on each hole.. Scoring on the card should only have the gross scores, the league will score this game.

Two Low Net:

This is a team game. Scoring on the card should only have the gross scores, the league will score this game. Count the best 2 net scores on each hole.

Beat the Pro:

This is an individual game. Scoring on the card should only have the gross scores, the league will score this game. All players who beat the pro's score with their net score will win.

Net Skins:

This is an individual game. Scoring on the card should only have the gross scores, the league will score this game. The best net score per hole wins the hole, if more than one net score is the same then the skin carries to the next hole.

Low Net:

This is an individual game. Scoring on the card should only have the gross scores, the league will score this game. Score is the player's gross score minus their handicap.

Red, White, & Blue:

This is an individual game. Scoring on the card should only have the gross scores, the league will score this game. Hole # 1 uses Red tee box, # 2 uses white tee box, #3 uses blue tee box. If we have a shotgun start, you would need to determine which box to start on. # 8 would be a white tee box, # 15 would be Blue etc.

Three Low Net:

This is a team game. Scoring on the card should only have the gross scores, the league will score this game. Count the best 3 net scores on each hole.

Two Net, One Gross:

This is a team game. Scoring on the card should only have the gross scores, the league will score this game. Count the best 2 net scores and the best gross score on each hole.

One Net, One Gross:

This is a team game. Scoring on the card should only have the gross scores, the league will score this game. Count the best net scores and the best gross score on each hole.

Two Gross, One Net:

This is a team game. Scoring on the card should only have the gross scores, the league will score this game. Count the best net scores and the 2 best gross score on each hole.

Scramble with Yourself:

This is an individual game. Scoring on the card should only have the gross scores, the league will score this game. Play 2 balls from the tee box, then play the better of the 2, continue playing 2 balls to the cup.

Stableford Points:

This is an individual game. Scoring on the card should only have the gross scores, the league will score this game. Points will be totaled based on net scores,

- +5 Albatross (3 Strokes Under Par)
- +4 Eagle (2 Strokes Under Par)
- +3 Birdie (1 Stroke Under Par)
- +2 Par
- +1 Bogey (1 Stroke Over Par)
- 0 Double Bogey (2 Strokes Over Par) or more
