

# TEE EM UP

## MARCH 21, 2019

Happy first day of Spring!!  We finally made it through the winter and now we are getting ready to go home! It just seems like we were welcoming everyone back and now we are saying our goodbyes.

I'd like to congratulate all our winners from the Championship Play. Way to go ladies! It's awesome to see how everyone has improved over the year and hopefully you keep that momentum going into your summer season at home.

Our final day of League Play is already here. I hope everyone has a great round to finish up our season!

Travel safely home and have a great summer. See you all in the fall/winter!
